

Insurance Backed Warranty

In addition to our comprehensive Warranty Terms, Canadian Solar Inc. is able to provide product warranty insurance to back up the warranty. This insurance applies to the entire Limited Warranty Statement including protecting the PV modules via the 10 year Limited Product Warranty and the 25 year Limited Performance Warranty as set out in the Limited Warranty Statement. This insurance program is purchased through the insurance broker Jiang Tai Insurance Brokers Co., Ltd., and insured by the following insurance company:

PICC Property and Casualty Company Limited (established in 1949)
Moody's rating: A1
www.picc.com.cn
Policy Number: PBAM201932050000000006

Canadian Solar Inc.'s customers, whose panels have been registered with PICC, will enjoy a global, irrevocable and immediate insurance backed warranty which provides them third-party rights to the insurance in case of insolvency or bankruptcy.

HIGHLIGHTS:

- Immediate coverage (no waiting period with requested claim documents)
- 25-year non-cancellable term (even if Canadian Solar Inc. becomes insolvent or bankrupt)
- Moody's rated "A1" or better reputable insurance underwriters (enhanced bankability)
- Insurance Program insures Canadian Solar Inc.'s Limited Warranty Statement, the 10 year Limited Product Warranty and the 25 year Limited Performance Warranty as set out in the Limited Warranty Statement
- Independent third party policy rights (meeting investors and bank due diligence requirements)
- For modules delivered and reported for the policy period from June 8, 2019 to June 7, 2020
